

dates are important but many  
of my pictures from the past  
don't have the date - hmmm.

Today is a lovely day weather  
wise, need rain so badly tho -  
Oct. 11-14 I'm going with Seniors  
to Villa Roma. n.y. State, the leaves  
if left should be colorful as they  
are starting to turn in some places.

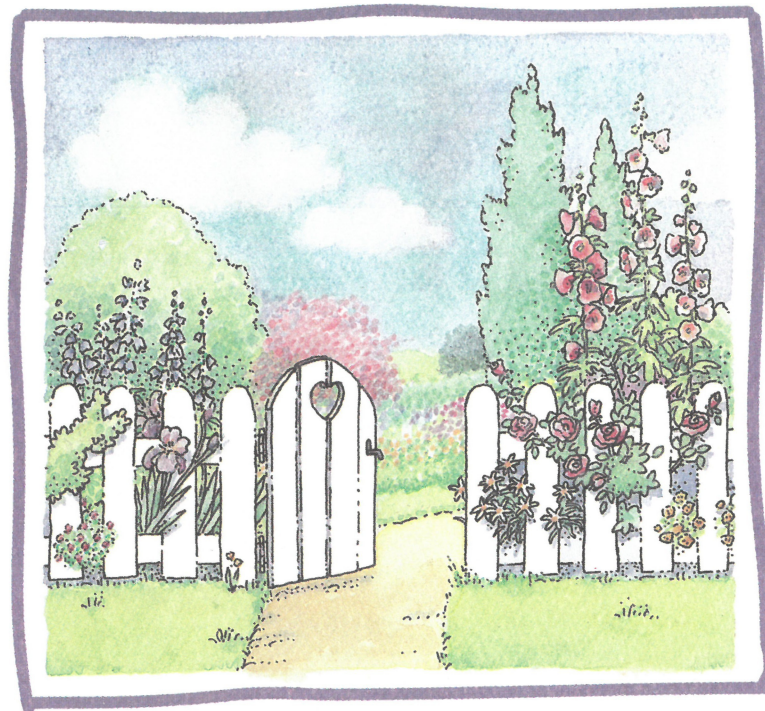

Thanks Dove Collection again for  
everything, Keep well, big hug  
for Vnkers, Much Love,  
Your Aunt Melly,

Hear Dennis & Cindy

may all be very well  
with you both - all is O.K.  
with my family and me -

thank you for the  
greeting, how wonderful  
to be able to make such  
a lovely, personal, card -  
house and grounds look  
great, the tomatoes yummy,  
nothing like home grown -  
I enjoyed all the veggies,

plus - I shared the pie with  
Rich & Cindy over Labor Day.  
(Kept it in the freezer.) So good!  
Vinkus looks great - I did

enjoy Thinking of You! meeting  
him - and also enjoyed the day.

Had the pictures enlarged  
left them as they are - for  
you to do with as you wish - I'm  
sorry the one of you both from  
Shelby's christening wasn't  
clearer - I'm guessing at the  
ages of Honey perhaps 3, Justin
